Lena may look like she's an accountant (which she is) but that doesn't make her boring. No way. She's a down and dirty fuck doll who will do anything to get her man off. And we mean anything.

Lena

Her attitude is that if she's there to fuck, then she's going to fuck and anything goes.

For years I was a club girl. I loved the rock and rollers in the 70s and would travel to clubs ready and willing to service the band. I usually went for the singer, but I'd do the drummer and even the bassist. But the singer was always the best looking.

To the editors,

At some point in your life, you probably have met someone like me. Dark, mysterious and always an arm's-length away. The one that kept to herself. The girl that never looked at you, but through you.

She dressed in black clothes that hid her body, but underneath you knew she was probably smoking hot. This girl is now a woman. And this time, she's right here.

You just have to love a woman who has the balls to pierce her nipples and labia. That usually means she can take whatever you can dish out. Just be sure you have enough.

I like shy guys. They're the ones I hung out with in high school and when I worked at the airlines. But you get one alone and that shyness evaporates. They're the first ones to go down on you.

Now it's almost thirty years after high school and my sexuality has matured too. I still like shy guys, but that doesn't last too long around me. I'm the aggressor. It doesn't take me long to get them

To 50+,

My name is Eric. I'm a 56-year-old science fiction writer and I'm very shy. But I'm going to come out of my shell a little to tell you how I feel. Here goes. I don't know why, but Whitney Wonders is my life-long fantasy. She is so built and sexy, not to mention the hottest woman alive. I'm going to admit that she makes me rock-hard. She is totally gorgeous. I know you may think I'm a nerd that's infatuated with big boobs and a kick-ass body, and you'd be right, but read between the lines and see that she is a goddess for the new millennium.

I can't stop fantasizing about her, and the pictorial just fuels my fantasies. Damn; she's so fucking hot. As her big fan, if at all possible, I would do anything if I could get an autographed photo. That will really put me in fantasy land. I bet she's a real sweetheart, too. Love and kisses and everything else I would like to do to her.

naked and their cock into my mouth. I usually pull off my own pants and shove my pussy into their faces. After a moment they are deep into it, shoving their tongues into me as deep as they can.

I specially like it when they pull on my hardware. It adds that extra tingle. That's why I did it. It really feels good when I'm the one tugging on them. The added sensation makes me come quicker.

Now I'm that woman and I'm having the best sex I've ever had. Seems like I'm always hot, because I always am; and always find time to satisfy our sexual desires.

So, I thought I'd drop you a line to let your readers know that there are plenty of women like me out there and we're really not that hard to find. If you know where to look.

in your last issue, I fell in love all over again for the fourth time. She's hot. Got some nice meat on her bones. Great tits and a nice round ass.

All of which is more than I would deserve, but she was great to look at. I like the way we got to see every part of her. She moved around and all I saw tempted me even more. I've had my share

in the pool. I'm a bit of a water baby and love to swim sans suit. I love the sensation of water flowing over my naked body and I leisurely swim in our backyard pool. As I surface between strokes, I can see my husband Blake, working on some of his office papers on a table at the side of the pool. He looked up as I made my way down to his end of the pool, and raised a glass of fruit juice in

and asked what Lawrence wanted from him. He was always taking Blake away on some business matters and I rarely got to spend time with him.

Without looking up from his paperwork, Blake tells me that Robert from the office was bringing some more papers over that needed their immediate attention. I looked at Blake and shook my head slowly. I puckered up my lips and blew him a kiss and turned to swim yet another lap or two.

As I made my way down the length of the pool, I felt an exciting feeling that I always got on occasions like this. My nipples stiffen and I get that exciting warm glow deep in my stomach. No matter how many times it happens, I always felt this way when I knew that there was a possibility a stranger was going to see me naked.

I got out of the pool and walked over to get my towel near Blake. He smiled and reached out and gently caressed each one of my breasts telling me once again that I have a beautiful body. A body as perfect as mine should be admired by everyone. I gripped his hand and smiled. I sat in the chair next to him, nude, and took a sip of my drink. He put his pen down and we started talking about our

earlier times together.

As our relationship blossomed, I discovered the pleasure it gave him to see me naked. Right from our early days as lovers he used to encourage me to undress for him as soon as we were alone and in the privacy of our own home. He never seemed to tire of admiring my naked body. As for myself, after a bit of initial shyness, I soon discovered that displaying myself to him in this way also gave me pleasure. Even when we went out, Blake liked to see other guys admiring me.

One day we set off out of town for a day walking out in the countryside. We parked at a well known beauty spot and took a trail through the woods following a stream. After an hour or so walking, we found ourselves in a secluded clearing in the woods where a small waterfall dropped gurgling into a crystal clear pool.

We looked around and decided that this would make an ideal spot to eat our food and rest for a while. We spread a blanket out, and while he laid the food out, I took my shoes off and dangled my feet in the cool water. It had been warm walking and the cool water felt great.

We ate our lunch by the stream and spent time

of women and I loved most of them. And very well I might add. Their boobs are usually fake, but that's okay by me. I now am so used to it that it has become the norm. But Kylie is quite the hottie. She's the kind I'd like to settle down with.

— Anthony, Tampa

Dear editor:

Even though it's over, I love the summer. The sun, the heat and the chance to spend some time by and

salute. I smiled at him and continued with my laps.

As I made the turn at the far end of the pool, I saw Blake's business partner Lawrence came into the pool area. He walked over to Blake and bent down and spoke to him. Blake looked in my direction for a moment, and then he smiled at me and nodded at Lawrence.

Lawrence turned and walked back into the house. I swam back to where Blake was anchored

talking. We nuzzled and kissed and I told him that I felt like taking a dip in the water, but I hadn't brought a swimsuit. He asked if I really needed one since we were so far away from everything and everyone. Who would see me?

I looked at him for a moment, all sorts of thoughts going through my head. Could I do it, undress out here in the woods? What if someone should come along? But then what was the chance of that? We had seen no one all morning. I suddenly made my mind up. I got to my feet, and slowly removed my clothes.

It was an exciting feeling when I stepped out of my panties and stood there naked with the sunlight warming my flesh. With one last look around, I slipped into the water. It felt cool, naughty and wonderful at the same time. I turned and looked at Blake, and to my surprise, I saw he was also undressing and soon he joined me in the stream.

He came over, took me in his arms, and pressed my naked body against his. I could feel the hardness of his cock pressing against my stomach as we kissed. I realized that he was very much aroused. Reluctantly we broke apart and splashed

around in the cool water together. Then he helped me out and we lay on the blanket.

I made no objection as he leaned over and kissed each of my hardened nipples before easing himself between my legs. The next moment I experienced that wonderful moment as he entered me. Sex with Blake was always wonderful, but this time, with the added excitement of being outdoors and with the chance of being observed, made the sensations even more exciting for the both of us.

After we had rested from our swim, we sat and drank some more wine, still remaining naked while letting the warm sun dry our bodies. With the bottle finished, we packed away the remains of our picnic, and I was about to put my clothes on when Blake laid a hand on my arm and stopped me. I looked at him and he asked if we could walk to the car like this – naked.

I hesitated, but everything had been going great and there didn't seem to be anyone around so I smiled and said, "Let's do it." Blake smiled as he packed our clothes into his backpack, and luckily or unluckily, depending on how you look at it, we came across no one. We walked most of the way back to

where we had left the car before putting on some clothes. I think that day, the outdoor sex and the naked walk back to the car, was a bonding moment in our relationship.

I must admit even now, I enjoyed the whole experience so much: being naked tinged with the excitement of possibly being caught by strangers. I knew that Blake enjoyed it as well.

Breaking our discussion were Lawrence and Robert and the armful of papers they brought to the table. I got up and walked over to the edge of the pool, letting the three men watch my tight firm booty walk away from them. Robert accidentally knocked my glass off the table and I turned to giggle at him. Having done so, I dove into the pool and drifted away to naked nirvana as they slaved over paperwork.

To the editor:

Where did you ever find such a voluptuous woman like Mijail? When I saw her photos, I was mesmerized. What beautiful body. Everything about her was fine. Her hands and fingernails were gorgeous. I wish it was my cock that they were holding. Her mouth and lips are so sexy and sensuous that I do not know if I have seen finer. And of course I cannot leave out those breasts and butt. I hope you will consider doing a pictorial on just her. No guys. I want to adore her body and sexuality without any male distraction.

– *Erick G, Cleveland*

I'm Candy and I'm about to celebrate my birthday. Ever since I lost my virginity, I haven't been able to really get off without a big cock inside me. Yeah, I can diddle myself to get off, and even have a little vibrating help when I need it, but a cock is the real thing.

Candy

Well, for my 50th birthday, my hubby had a nice surprise for me. Another hard cock to play with!

And what a wonderful birthday surprise this was. I have never sucked two dicks at the same time before, nor had two cocks in me. Once we got the geometry worked out, everything was great. Getting fucked like this made my insides melt. What he's going to do for my next birthday?

Mary

I don't know how many men I've fucked through the years, but I know how many women, six - exactly. So while I've enjoyed women, men just do it for me. I can't wait to get my mouth around a nice fat cock and suck it until his juices all cum out.

Ever since I didn't have to
worry about getting pregnant,
my sexuality has exploded.
My sexual libido has increased
tenfold, and strangely enough,
men have been easier to meet
and eventually take to bed. I'm
also a lot more free since then.

*Why do Harley Davidson riders get buried face down,
with their ass cheeks poking out of the ground?*

*So that when their friends come to pay their respects,
they'll have a place to park their hawgs.*

the ride may just be the best part sturgis or bust

YEAR AFTER YEAR, ITS THE BEST SHOW ON EARTH, IF ONLY FOR A WEEK

Early this past August, I came up north for Bike week that was going on in Sturgis, South Dakota, (It's a big motorcycle rally they have every year, in case you didn't know). We are avid bikers and have been attending Sturgis for the past ten years. About three years ago we set up a shop to sell Harley accessories so we go up a couple days early to set it up. Over the years we have made many friends

and it's great to see them, even if it's only once a year. We don't look like the typical bikers you may think of: I'm fifty-two and Wayne is fifty-five. We're both in great shape because we spend almost all our time outdoors. Wayne has no hair on his face and his head is bald. A striking man for his age.

We have a twelve hour bike ride to get there and plan one night for a hotel stay. I'm looking forward to it and some sex time with my man because there will be no time once we get up there. Wayne is a big guy but a teddy bear at heart. I guess that's what turned me on about him, he was something a little different and that's just what I felt I needed at the time. We still have fires burning for each other after some

thirty years of marriage and six wonderful kids.

We've been on the road for six hours and my butt hurts from the seat. Up ahead we see our exit off I-90 in Western Minnesota and pull into the hotel we've reserved for the night. There are a few other bikers there, too and we know some of them. We registered and went up to our room to

settle in. We showered the days dirt and sweat off and settled onto the bed. We were both so horny by that time I could have done him in the lobby.

As soon as we sat down, he pulled me to him and started kissing me wildly, pushing me down against the mattress and feeling me up all over as I rubbed that big hard cock of his. He ran his hand between my legs kneading them into my hot pussy. He took my boobs in his hands squeezing them and kissing them all over and biting at my nipples. I ran my fingers over his gleaming skull and moved my tits from side to side slowly. I kissed the top of his head and told him how really good what he was doing felt and how I had been waiting for days for us to be like this.

I held on to the bedframe as he spread my ass cheeks and shoved his hot tongue deep into my tight hole. I jumped at first because I wasn't expecting this right away, but it felt so good

I moaned as he pushed a big finger into my wet pussy as I spread my legs and give him clear access to me. He rolled me over and pulled my hips up so I was on my knees. He told me to bend over a little more so my ass was in his face. I held on to the bedframe as he spread my ass cheeks and shoved his hot tongue deep into my tight hole. I jumped at first because I wasn't expecting this right away, but it felt so good I didn't say anything. All I could really do is moan when he started fingering my wet pussy and as he licked it, I almost went in orbit. I started pleading with him to fuck me, and that I would do anything he wanted, and at that point I would have too.

“You’re letting me fuck your tight little ass tonight baby, aren’t you?” he said in the kind of voice that let me know he had all the cards and if I wanted to play it was going to be by his rules. I said, “Baby, you can have me anyway you want.”

He got up from his knees. I was horny as hell and I wanted him between my legs as fast as I could get him there. We started kissing and acting like a couple of horny school kids. I slid my hand down and around his throbbing cock and was not disappointed to feel how long, hard and fat it had become. I looked into his eyes to see if he wanted me as bad as I wanted him, I pushed him back onto the end of the bed and he laid back pulling a pillow under his

head so he could watch. It was my turn to go to my knees and he opened his legs so I could kneel between them, and I knelt down taking my mouth and surrounding that hot cock of his. Wayne had a very nice looking cock, just the size I liked in my mouth, small enough to give good head to and big enough give me a good fucking. I’ve appreciated it for years.

I slid my fingers down around the base of his cock, then starting there, I slowly kissed and licked my way around and up to the big head, running my tongue around the rim of the head and thru the slit, then I capped my mouth over it and slowly sank down over his big cock letting my teeth barely rub over it as I worked my wet tongue around and sucked. I sucked all of his long cock in and heard him moaning as I started to move my head up and down, I felt his hands on the top of my head and a sudden up thrust that choked me a bit but I quickly recovered and let him start fucking my mouth. I have been told I’m very good and I just love doing it.

He was giving me a lot of tasty pre-cum which usually means he’ll be a good cummer tonight, so when he was ready to pop I wanted him to cum in my mouth. At that point I got kind of wild, really began bobbing my head up and down sucking wildly on his big cock, I really wanted to make him cum and I was enjoying the hell out of it. In a little while he started breathing hard and I knew he was close, when he did cum it was a good one, lots of it and really thick just the way I like it and it had a nice taste. I cleaned him up really good.

We both started kissing and feeling each other all over once again. I was on my side and he pushed me over onto my back and started kissing my lips and started working down my neck and over my boobs that he played with and sucked a bit before he kissed his way down my tummy and to my open legs. But he didn’t stop there. He continued down one leg to my feet, kissing my toes then he switched to the other foot kissing his way back up the other

I felt his hot tongue plunge deep into my wet pussy, probing in and out and all over. It felt so good.

leg moving between them with his body. When he got almost to my pussy he stopped and got on his knees and lifted my legs onto his big shoulders and picked my ass up and pushed a pillow under it, he let me down and slid back in-between my legs wrapping his arms around them. I felt his hot tongue plunge deep into my wet pussy, probing in and out and all over. It felt so good. He sucked and licked making me even wetter than I already was. Wayne ate my pussy till I thought I would cum all over his face when I felt a long hard finger slide deep into my hungry wet pussy. Slowly he pushed it in and pulled it out covering it with my wetness.

I knew what would come next and wanted it. I love to have my ass fingered. I felt his wet finger probing around my ass and then he found my tight little butt hole and pushed it in working it around till he couldn't get any more in. He licked my pussy and fingered my ass till I came hard all over his fingers. He had three in my ass when I came and damn it felt good. We lay there for a short while, then he got up and told me to roll over so he could fuck my ass. He had a nice big hard on again and we were both ready for him to use it. Before I rolled all the way over I took him by the hand and pulled him and that hard cock to my mouth where I sucked it in and licked it all over. He put his hand on the back of my head gliding my mouth. He starting pumping my mouth again. I knew it was time to fuck so I started getting his cock really wet. Then when it was dripping with my wetness I let him have what he wanted and I wanted him to take so damn bad.

I laid down on the pillow, my ass was ready. He spread my cheeks and I felt the big head of his wet cock pushing on my tight ass hole and slowly enter it. I started to cry as I always do when I get ass fucked because it hurts so much at first because my pussy and ass are so tight. Lucky the pain only last a short time and the good feelings far out way that. He slowly started fucking my ass and the pain was quickly replaced by that good feeling I get when I ass fuck. He fucked me slow for a while and I was really getting into it when he picked up the pace and really starting fucking my ass hard.

Sweat was pouring from both of us. I was helping as much as I could by lifting my ass to meet him. The harder he fucked the more I cried out. I pushed up onto my elbows so he could take me at a better angel and get a deeper stroke. This felt even better to me and really good to him because in a short time he grabbed my ass and I felt him jerking and knew he was filling my ass with his hot jizz. He held my ass there for a while before letting go allowing me to slip back onto the pillow.

We lay there for a little while cooling off and getting our strength back, I got up and went to the bathroom and got a wet cloth and sat beside him on the bed to clean him up as well as wash myself, I had cum running out of my ass and down my leg. When I returned, Wayne had fallen asleep. I snuggled in next to him and fell asleep, too. I dreamt of the next week at Sturgis and all the bikers, food, beer, and hopefully, some sex. Then the damn alarm went off.

A photograph of a person's buttocks and legs, wearing white underwear, positioned on a light-colored wooden floor. The person is lying down, and the image is cropped to focus on the lower body. The background is a plain, light-colored wall.

If you asked me twenty years ago what I would be doing at fifty, I probably would have told you that I'd be retired with my fourth husband somewhere in Florida.

Natasha

Well, that dream didn't come true. I've only had two husbands and split from the second some ten years ago. I did move to Florida and that's where I started improving my sex life. First with younger surfer boys and then with football players.

As you can see, I really enjoy football players. Seems that if you fuck one, many more become available. I would party with them in the off season and had my first anal, my first threesome, my first orgy, my first dp, and even got it on with a couple of the cheerleaders. I now love Florida.

I know that I look like most people's grandmother, but I bet most of those grandmothers are still fucking. I don't think we ever lose our sex drive. We just don't feel the attraction to our mates that we used to feel.
